

Rewarding Excellence in the European Alternative Credit Industry

The Alt Credit EU Services Awards returns for the year 2020 to honor providers of services and solutions to the European credit hedge fund industry that has demonstrated exceptional innovation, customer service, and business performance over the past 12 months.

During this unprecedented time, it is pivotal to be showcased as a leader within such a competitive industry.

The Awards will provide a virtual platform for you to connect with your peers, connect with potential investors, and strengthen your reputation in front of the industry.

The winners will be announced in a virtual awards ceremony on **Friday 23rd October**. For more information to attend the awards, please contact Lucy Thompson (mailto:l.thompson@pageantmedia.com).

Congratulations to those that made the shortlist!
