Acquisition International Announce the Winners of the 2016 International Finance Awards

United Kingdom, 2016 – Acquisition International Magazine have announced the winners of the 2016 International Finance Awards.

Acquisition International's pioneering Finance Awards program- now in its third year- showcases the achievement, innovation and dedication of the international finance industry.

Through this unique programme we are turning the spotlight on those working across the financial industry- from wealth managers to fundraisers and support service providers and everyone in between- who have worked tirelessly to support their clients in one of the most important areas of their lives.

Discussing the awards, Coordinator Boris Smyslov commented: "These awards pay tribute to the financial service firms and the individuals behind them that have worked tirelessly through tough conditions to produce strong returns for their investors. I am extremely proud and honoured to be able to turn the spotlight on our deserving winners and I would like to wish them every success in the future."

Acquisition International prides itself on the validity of its awards and winners. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work, distinguishing them from their competitors and proving them worthy of recognition.
